

IG Flexi-LINK 3 JACKPOT SYSTEM

SUPERLink

Our **new Super-LINK Jackpot system** can be attached to any type of gaming machine and includes:

Mystery Flexi Jackpot Game

- Wide variety of parameter sets to choose from
- Flexi-Feature game, which advertises the “must be won before” value after every jackpot hit
- Up to 4 levels

Community Jackpot Game with Flexi Jackpot Feature

- Wide variety of parameter sets to choose from
- Up to 9 winners per jackpot
- One main prize and a shared pool of up to 8 prizes
- Flexi-Feature game, which advertises the “must be won before” value after every jackpot hit

Fixed Win Jackpot with the Special theme called ‘Cash Cannon’

- This has a Fixed jackpot value that only displays the winning prize at all times and does not show the prize increasing
- Prize is given away randomly and operates in the background(at the Link controller) as a standard parameter and gives away the average prize every jackpot
- Up to 4 levels

Analizer Data Retrieval & Metered Reporting

- Period Reporting
- History Reporting
- Diagnostic Reporting
- Reports List: Meter Listing, Net Total & Ranking, Link Meters, Metered Profit, Jackpot History, EGM ARTP-TRTP Comparison, EGM Information, Daily Average, Event History, Net Rank Graph, EGM Performance Trend Graph and Current Meter Trend Graph Reports
- Export to Excel

Graphics Library

- Use of full animated graphics library and standard graphics packages (15 in total)

**3 GAMES
IN 1**
