

Flexi-LINK
JACKPOT SYSTEM

**INDEPENDENT
GAMING**

Genuinely Different Gaming Solutions

Why buy a Flexi-LINK Jackpot System?

An Investment in Quality
Consistent Results
Innovative
Australian Owned & Manufactured

*IG's Flexi-LINK
Jackpot Systems
are produced using
quality materials
with the end
result being an
Australian owned
and manufactured
product that has
been designed
with innovative
imagination!*

The application and design of Flexi-LINK was created with both the Player and Operator in mind.

After installing the Flexi-Link Jackpot System, you will find that it will produce consistent results and add excitement to your gaming floor!

IG has two Flexi-Link products as follows:

Flexi-LINK Jackpot System (Series 2)

- The Flexi-Link drives player behaviour, increases turnover and net returns on both new and old machines
- Advertise to the player a new maximum prize after every jackpot win
- 24,000 Jackpot Parameters
- No Eprom required
- Analizer Back of House Reporting package provides up to 15 reports including link reports, ranking reports and detailed jackpot history reports
- Two Year Parts Warranty
- First game link designed and manufactured to work with any brand of poker machine
- Choice of 15 graphics packages
- A wide range of Signage Theme options

Flexi-LINK 'Community Jackpots' System (Series 3)

- Mystery based jackpot game where the main prize is won by one player and a secondary prize is shared between multiple players
- 'Community Jackpots' advertises one main jackpot prize plus a secondary shared prize
- Create new atmosphere of excitement in jackpot gaming with 'Community Jackpots'
- Breathe new life into your mystery jackpot systems with 'Community Jackpots' game
